

Rashi Prediction for the year 2023-2024 (General Prediction for Samvat 2080)

MESHA : Chu, Che, Cho, La – Li, Lu, Le, Lo – A.:

As per the Aries Yearly Horoscope 2023-24, Aries is the fire element. The year 2023-24, for Aries natives may give you mixed results in terms of health and finances. Healthcare is a must for these natives as Jupiter the benefic planet occupies the first house and may create further setbacks. On the professional front, it may be a good year as the lord for career, Saturn, is placed favorably. Changes will come gradually for the better with respect to career. Financially, the first half of the year, may not be favorable and you may need to spend money on your health. From October 2023, you will witness improvement in your health. Relationships in personal circles may not be good till September 2023, but at the same time, you may not face adverse problems. Aries Yearly Predictions 2023-24, reveals that, career-wise, this year may be good for you and at the same time, you may not get the required recognition for your hard work at many occasions. Also, you may get new job chances. From October 2023, favorable results in terms of relationship, finances, may be possible. From April to October students may be distracted in studies. From October onwards, they will perform good in studies.

Remedies

- 1) Reciting Durga chalisa daily and especially reciting on Tuesdays will be more powerful.
- 2) Perform Yagna for Rahu/Ketu on Tuesdays.
- 3) Donate food to old age Brahman on Thursdays and take his blessings.

TAURUS (VRIKHA) : - E, Oo, Ai – O, Va, Vi, Vu – Ve, Vo. :

According to the Taurus Yearly Horoscope 2023-24, Taurus is the earth element. Taurus natives for the year 2023-24, may witness both good and bad results in terms of health, relationships, and finances. Constraints are possible for these natives after April 2023 with respect to health as Jupiter occupies the twelfth house with Rahu and Ketu in the sixth house. Digestion problems and headaches could be present and there can be chances for skin irritations. Horoscope 2023-24, foretells that the first half of 2023-24, till April might be good with respect to money, career and relationships. After May 2023, these natives may witness moderate results with respect to health and finances. Long distance travels need to be avoided by these natives. New investments may not yield amicable returns after May 2023. Some mutual adjustments will be required for these natives when it comes to relationships during the periods from May to September 2023. Taking major decisions might not be fruitful during the above period. Development in career may be fine from October 2023. This year will be an average year for students.

Remedies

- 1) Perform havan for Rahu on Saturday.
- 2) Donate food to diseased persons on Saturdays.
- 3) Chant 'Om Rahave Namaha' daily for 40 days.

GEMINI (MITHUNA) :- Ka, Ke – Ku, Gh, Kna (Ra), Chh – Ke, Ko, Ha. :

Gemini is the third sign of the zodiac and belongs to the air element. According to the Gemini Yearly Horoscope 2023-24, these natives may be more comfortable in terms of health, career, and money. The presence of Ketu in the fifth house may give you more keen interest in spiritual pursuits. You may be having more interest in spiritual matters for the year 2023-24. Rahu in the eleventh house may provide you with unexpected money gains with Jupiter after April.

Also due to the above, upliftment in career, money gains and good atmosphere in family is possible. Horoscope 2023-24 says that Rahu in the eleventh house till September 2023 may give you desires in an unlimited manner, but those desires may not provide you with ultimate satisfaction. If you are into business, then gaining good profits will be possible with new business tie ups from May 2023. Speculative practices may also fetch you good profits. After October 2023, with respect to career, you may get chances abroad, which will be promising as Rahu will be occupying the tenth house and more responsibilities in the family will be there due to the position of Ketu in the fourth house. For students, from April 2023 to September 2023, its going to be a good period, from September to March 2024 end, students may have to work hard to obtain the good results, as Jupiter is retrograding.

Remedies

- 1) Donate food to handicapped persons on Saturdays.
- 2) Perform Havan for Lord Ganesha.
- 3) Take blessings of elders on Thursday.

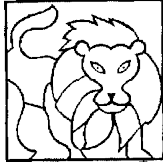

CANCER (KARKA) :- Hi,e, Hu, He, Ho, Da – Di,e, Du, De, Do.

Cancer is the fourth sign of the zodiac and belongs to the water element. The Cancer Yearly Horoscope suggests that the Cancerians may find the year 2023 a bit challenging till September 2023 with respect to health, finance and career. First half of the year may be a little tough with respect to career and health as Saturn will be in the eighth house. But at the same time, since Jupiter is placed in the ninth house, major problems will be overcome by you. Placement of

Jupiter in the ninth house may enhance your interest in spiritual matters. After May 2023, more work pressure and change in jobs is possible due to the presence of Jupiter in the tenth house and Saturn in the eighth house, says Yearly Predictions 2023 - 24. Relationship problems might be present for you with your life partner after May 2023. After September 2023, career progress, increase in money gains, and general happiness will be experienced by you. The presence of Jupiter in the tenth house from May 2023 will give you some hardships in your career in the form of more work pressure and lack of recognition from superiors. For students, there may be disturbances in studies. So it is essential for you to concentrate more on studies.

Remedies

- 1) Chant 'Om Chandraya Namaha' daily 20 times.
- 2) Pay respect to elderly women of the house, and take their blessings.
- 3) Light oil lamp for Goddess Durga on Mondays.

LEO (SINGH) :- Ma, Mi,e, Mu, Me - Mo, Ta, Ti,e, Tu – Te.

Leo is the fifth sign of the zodiac and belongs to the fire element. As per the Leo Yearly Horoscope 2023-24, Leo natives will find the year soothing after April 2023 as the benefic planet Jupiter will be moving to the eleventh house and this transit will be beneficial for you in terms of spiritual progress and gaining good money. Also, there will be good indications of benefits like promotion in career and indications for stability. Harmony in the family will be there and you may witness auspicious occasions like marriage. If you are waiting to get married then this period will be favorable for that as well. You may be in a position to gain a good amount of money after April 2023 and will also be in a position to save, says the Yearly Predictions 2023. Due to the presence of Saturn in the seventh house and its aspect over the moon sign, you may face some laziness in your daily routines and tasks that you are handling till April. It may be essential for you to focus more on your job as there are chances for errors in your job. You may need to take good care of your health as there are chances of pain in your legs and joints. For students, this can be a distracting year, but you can overcome and achieve good results with hard efforts put in.

Remedies

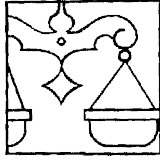

- 1) Do Havan for planet Jupiter on Thursday.
- 2) Donate food to poor people on Saturdays.

VIRGO (KANYA) :- To, Pa, Pi, – Pu, Sha, Na, Tha – Pe, Po.

Virgo is the sixth sign of the zodiac and belongs to the earth element. As per the Virgo Yearly Horoscope 2023-24, Virgo natives may find the year favorable from April 2023, and it is the first quarter of the year that seems to be good in terms of finance, relationship, and health. Major decisions that you may wish to pursue can be done as Jupiter will aspect your moon sign. The above time may also be a splendid time for you to get married if you are yet to settle. Yearly Predictions reveal that the progress in career may be good for you for the whole year 2023 as Saturn will be placed in his own sign Aquarius in the sixth house. The sixth house is for service and the presence of Saturn in the same may provide you with a fine edge for career development. After April 2023, Jupiter will be moving to the eighth house with Rahu and due to this, you may face high expenses. After October 2023, there may be strains in the relationship as Rahu will move to the seventh house and Ketu in the first house. For students, it's an average year, and it is essential for you to overcome the shortcomings through increased performance and consistent monitoring.

Remedies

- 1) Chant Vishnu Sahasranamam daily.
- 2) Light Oil lamp in temple on Wednesdays for Lord Vishnu.
- 3) Chant Narayane Namah on Wednesdays.

LIBRA (TULA) :- Ra, Ri, e – Ru, Re, Ro, Ta – Tee, Tu, Te.

Libra is the seventh sign of the zodiac and belongs to the air element. According to Libra Yearly Predictions 2023-24, Libra natives may find the year to be a little challenging as Jupiter will be in the sixth house. From the end of April 2023, Jupiter will be moving to the seventh house with Rahu and you may be getting benefits in terms of good money, happiness in relationship and development in career. Challenging situations might arise till April . where you may need to plan with respect to your career, finances etc as Saturn will be in the fifth house. Due to this, you might experience stress. The presence of Rahu in the seventh house and Ketu in the first house may trigger conflicts in personal life and in family. But the aspect of Jupiter over your moon sign may solve problems in family and harmony will be present. The movement of Jupiter after April 2024 for another one year may give more benefits for happy well being, new career chances etc., says the Yearly Horoscope 2023-24. The second half of the year 2023 after September 2023 happens to be rewarding for you in terms of efforts, success etc. as Rahu will be moving to the sixth house and Ketu will be moving to twelfth house and the presence of Rahu in the sixth house may give you luck. With the presence of Rahu in the sixth house after September 2023, you may be able to achieve even tedious tasks with more ease. For students, first half of the year 2023 is not good, from October 2023 to April 2024, with hard efforts and teachers' you will pass the examinations.

Remedies

- 1) Chant Durga Chalisa daily.
- 2) Perform Rahu/Ketu havan on Tuesday.
- 3) Light oil lamp for Goddess Durga in temple on Tuesdays and Fridays.

SCORPIO (VRISHCHIK) :- To – Na, Nee, Nu, Ne – No, Ya, Yee, Yu.

Scorpio is the eighth sign of the zodiac and denotes the water element. As per the Yearly Horoscope 2023-24, these natives may find the year 2023 to give mixed results

in terms of finances, health and relationship. The benefic grace of Jupiter will be present for your moon sign and you may be comfortable with the money you are earning. Health-wise, the year 2023 will be good for you, but at the same time, you may need to adopt a balanced diet and take food on time to keep yourself fit. After April 2023, Jupiter transit may not be that favorable, but at the same time its aspect will be favorable for you. Next transit movement of Saturn in the fourth house may enable you to spend money like an investment on property for the future, reveals the Yearly Predictions 2023-24. The second half of the year 2023 after September 2023 may bring you changes in life with respect to spiritual matters, gaining success by earning good in shares etc. Relationships in family may also be fine for you after September 2023 and thereby mutual bonding may be possible. Students, may be able to witness development in studies, due to this movement of Saturn, you may be able to attain success in studies by putting more sincere efforts.

Remedies

- 1) Do havan for Ketu on Tuesday.
- 2) Chant 'Om Gurave Namaha' daily 108 times.
- 3) Recite Hanuman Chalisa daily.

SAGITTARIUS (DHANU) :- Ye, Yo, Bha, Bhi – Bhu, Dha, Fa, Dha – Bhe.

Sagittarius is the ninth sign of the zodiac and denotes the fire element. According to Sagittarius Yearly Horoscope 2023-24, the year 2023 will give positive results in terms of career development, money and good health. You may not be able to gain high satisfaction in routine life. Saturn's movement in the third house for the whole of the year 2023 and followed by the favorable movement of Jupiter in Aries from April 2023 will benefit you a lot with a lot of good surprises possible in the areas of career, finances, and satisfied personal life. You may gain profit in business and starting a new business will be good for you from April 2023, due to the favorable position, which may fetch you amicable profits. The presence of Jupiter in the fifth house may also give you more interest in spiritual progress and if you are doing business in shares it may also give you good returns after April 2023, says the Yearly Predictions 2023. You may be able to develop good bonding with your life partner after April 2023. For students, Jupiter and Saturn will give the good results, education prospects for you will be fine and you will be having a good pick up with respect to your skills that you will be able to put in studies and show more professionalism.

Remedies

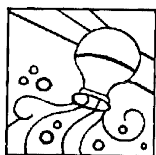

- 1) Chant "Om Rahave Namaha" daily 27 times.
- 2) Do havan for Rahu on Tuesdays.
- 3) Offer food to old age Brahman on Thursdays.

CAPRICORN (MAKAR) :- Bho, Ja, Jee – Khi, Khu, Khe, Kho – Ga, Gi.

Capricorn is the tenth sign of the zodiac and denotes the earth element. As per the Capricorn Yearly Horoscope 2023-24, this year happens to give you mixed results with respect to career, money and health. It may be essential for you to possess awareness with respect to health as Rahu is in the fourth house and Saturn is in the second house. Fluctuations in money may be possible for you after April 2023 as the movement of Jupiter will be in the fourth house with Rahu. Due to the above, you may need to incur high expenses for your house and health related aspects of yours and elders. Saturn's presence in the second house in his own sign may give you promptness to be career conscious and the interest to earn good money. The second half of the year from September 2023 may be promising for you due to the transit movement of Rahu in Pisces in the third house and Ketu in Virgo in the ninth house, according to Yearly Predictions 2023-24. This movement promises you with high progress in career, money gains and there may also be chances for you to go abroad with respect to career due to the presence of Rahu in the third house. For students, this is not a good year, as you may be a little slow in delivering steadiness in studies, to achieve favorable results students should do the remedies of planet Jupiter.

Remedies

- 1) Do Havan for Planet Rahu on Tuesdays.
- 2) Chant Durga Chalisa daily.

AQUARIUS (KUMBH) :- Gu, Ge – Go, Sa, See, Su – Se, So, Da.

Aquarius is the eleventh sign of the zodiac and denotes the air element. According to Aquarius Yearly Horoscope 2023-24, you may face challenges in earning money as Jupiter will be moving to the third house. Due to the above, you may incur more expenses in an unwanted manner. Also, you may face challenges in career as well as you may be loaded with more work as Saturn will be in the first house. You may also need to incur more expenses for health

for your life partner as Saturn will be aspecting the seventh house. This aspect of Saturn over the seventh house may trigger some less harmony in the relationship with your life partner and you may need to be careful in dealing with your friends. Saturn's aspect over the seventh house and its negative effects will be overcome by the transit of Jupiter in Aries, nullifies the Saturn dosha, reveals the Aquarius Yearly Predictions 2023-24. After September 2023, you may need to take care in handling money as the transit of Rahu in the second house and Ketu in the eighth house may not be favorable and due to this you may be facing money problems. Students will need to focus on studies to maintain consistency.

Remedies

- 1) Do havan for planet Ketu on Tuesdays.
- 2) Chant "Om Kethave Namaha" daily 43 times.
- 3) Worship Lord Ganesha.

PISCES (MEEN) :- Dee – Due, Tha, Jhu, Jna – De, Do, Cha, Chi.

Pisces is the twelfth sign of the zodiac and denotes the water element. As per the Pisces Yearly Horoscope 2023-24, this year, Saturn is transiting to Aquarius. Due to this you may need to be careful in taking suitable decisions. The transit of Jupiter in the Aries will be favorable for you with respect to gaining good money, upliftment in your career with new chances. Whole of the year 2023, you may need to take good care of health as the nodal planets- Rahu is in the second house and Ketu in the eighth house. You may also be put into the situation of

relocating to a different place with respect to your job abroad. You may also face lack of harmony in family and with your life partner due to the presence of Rahu in the second house. Ketu's placement in the eighth house for you may give you more interest in spiritual progress. After September 2023, if you are not married, you may get good chances to get married due to Ketu present in the seventh house and Jupiter in the second house, says Yearly Predictions 2023-24. The placement of Jupiter in the second house may keep you comfortable for the year 2023-24. For students it's an average year, you have to work hard to obtain good results.

Remedies

- 1) Chant "Om Shanaishcharaya Namah" daily 17 times.
- 2) Do Havan for Rahu and Ketu on Tuesdays.
- 3) Take blessings of Brahmins who are old-aged on Thursdays.
- 4) Do donations to handicapped persons on Saturdays.
